1st Grade Suggestions and Resources

Parents,

Below is a suggested daily schedule for your child. We are also providing links to different resources that will help your child stay academically active over the extended break. Please note that these are only suggestions. This is a living document, so please check back weekly for new resources and suggestions.

Thank you,

PPE 1st Grade Team

****[Blue Print](#) = Link to resource**

<u>30 Minutes</u>	Daily Reading
<u>15 Minutes</u>	Math Facts Practice
<u>20 Minutes</u>	IXL Practice
<u>30 Minutes</u>	Creative/Art Time
<u>20 Minutes</u>	Science/Social Studies Activities
<u>15 Minutes</u>	Journal Writing/Handwriting

Reading Resources

There are a variety of free online resources to help with your child's reading development.

- **[Epic](#)**: Epic is a fantastic online resource with thousands of books for students to read. You should be receiving an email from your teacher that will grant you free at home access to EPIC.
- **[Clever](#)**: This online portal gives you access to all of the MNPS programs your child has access to at school and at home. Your child's teacher should provide you with a QR code to use at the login screen. IXL, Brainpop, Limitless Libraries, BookFLIX, and Xtramath are just a few of the sites your child can use through the Clever portal.
- **[IXL](#)**: Login through the Clever portal to access IXL. This program allows your child to practice ELA and Math skills at their level. The 1st grade team suggests that your child uses the "Diagnostic" practice in IXL. This feature is located in the green bar at the top of the page. Your child will be able to practice skills at their instructional level using this feature.
- **[Storyline Online](#)**: Storyline online is a great resource where the world's best storytellers read stories aloud online.
- **[Starfall](#)**: Starfall includes math and reading activities and games.
- **[Scholastic](#)**: Learn at home throughout this break with Scholastic
- **[ReadWorks](#)**: Reading articles with quizzes, activities, and more! You will need to get a class code from your child's teacher to gain access to these materials.
- **[Imagine ELA/Reading](#)**: This program is accessed through the Clever Portal. Interactive ELA resource.

Daily Writing Checklist:

- Did I use my neatest handwriting?
- Did I begin my writing with an introduction sentence?
- Did I include supporting detail sentences?
- Did I end my paragraph with a conclusion sentence?
- Did I include adjectives and describing words throughout my paragraph?
- Did I use correct grammar, capitalization, and punctuation throughout my paragraph?

Science Resources

Animal Study:

- Watch an animal exhibit live at the Georgia Aquarium.

Exploring our Earth:

- Using Google Earth, explore some of our nation's parks. Make a note if the park includes a mountain, volcano, or canyon!
Happy hunting!

Disney engineer in a box:

- Create an invention to help protect people from getting sick, create your own roller coaster, or make your own musical instrument!

Mystery Science

- Science mini lessons and activities.

Brainpop: This site is accessed through the Clever Portal. It has lots of science and social studies videos, quizzes, and activities.

IXL Science

- This site is accessed through the Clever Portal. You now have access to IXL Science. IXL Science begins at the 2nd grade level. You will not see a tab for 1st grade.

Social Studies Activities

[TN History for Kids](#): A great resource to help your child learn about Tennessee's past and present.

Brainpop: This site is accessed through the Clever Portal. It has lots of science and social studies videos, quizzes, and activities.

Studies Weekly: This site is accessed through the Clever Portal. This resource will allow your child to view the Tennessee Studies Weekly booklets we do together in class.

IXL Social Studies

- This site is accessed through the Clever Portal. You now have access to IXL Social Studies. IXL Social Studies begins at the 2nd grade level. You will not see a tab for 1st grade.

MNPS STEAM Daily Activities

- Click on the above link to access Daily STEM challenges from MNPS.

Math Resources

- **IXL:** Login through the Clever portal to access IXL. This program allows your child to practice ELA and Math skills at their level. The 1st grade team suggests that your child uses the “Diagnostic” practice in IXL. This feature is located in the green bar at the top of the page. Your child will be able to practice skills at their instructional level using this feature.
- **[Bedtime Math](#):** This site gives you daily stories that have differentiated math problems connected to each story.
- **[Math Facts Sheets](#):** Create your own printable math facts test through this site.
- **Imagine Math:** This program is accessed through the Clever Portal. Interactive math resource.
- **App Store:** The App Store has a wide variety of math apps. Here are a few suggestions:
 - [Number Run](#)**
 - [Set the Clock](#)**
 - [Math Doodles](#)**
 - [Sumdog](#)** – requires a student account from PPE
 - [Prodigy](#)**
 - [Operation Math](#)**
