

# MAP TESTING: HOW TO FIND YOUR TEAMS LINK

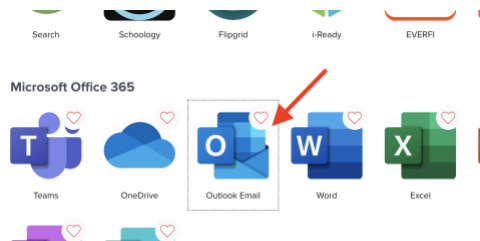

When you signed up for the MAP test, you should have entered your student's MNPS email address. If you did this, you should be able to find your teams link in one of the following places.

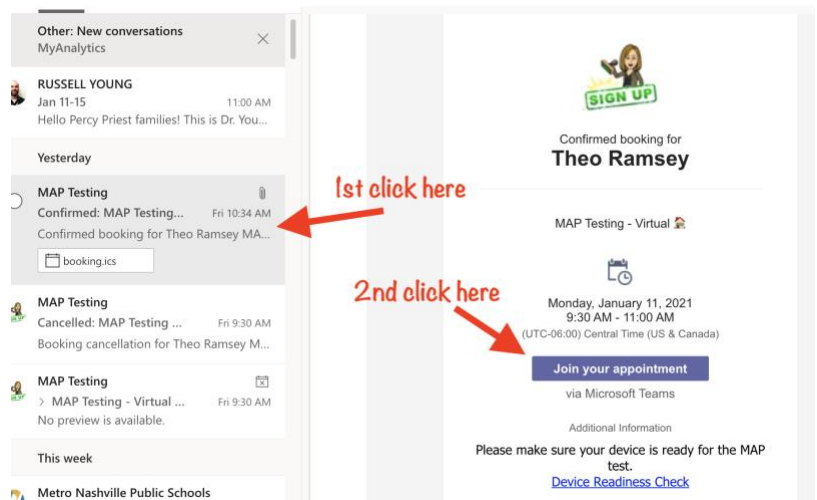

## Outlook Email

Go to [www.clever.com/in/mnps](http://www.clever.com/in/mnps) and log in as your student.

Scroll to Outlook Email and click on it.

In your student's email inbox, you will see a confirmation email with the link to the Teams meeting. You can click on the link here.

## Teams Calendar

You can also look in Teams and click the 'join' link on your student's Teams calendar.
